2011-2012

**WE ARE MORE THAN A SCHOOL—WE ARE
A COMMUNITY**

Pre- Kindergarten through sixth grade will do more than reading, writing and math. We will learn a foreign language, paint pictures, praise in song, and celebrate Eucharist. We'll give back to the community through service, compete in sporting events, perform music, adventure through our surroundings, and enjoy countless other successes. None of this will be possible without the encouragement and efforts of everyone—home, school, church. Your involvement in your child's education through Home & School is powerful. Participating in their education this way confirms your beliefs about what is important, and necessary.

The more parents participate in schooling, in a sustained way, at every level -- in advocacy, decision-making and oversight roles, as fundraisers and boosters, as volunteers and paraprofessionals -- the better for your child's success. Don't miss out, join the fun!
